PRESIDENT'S REPORT

Welcome to some light reading highlighting some very memorable and some not so memorable moments of Season 2024-25!!

I begin with the sad passing of two great members of BCC in Robert "Bob" Croft in June 2024 and Bernie "Gubby" Allen in October 2024. These two Life Members and Legends both passed away peacefully but would have been extremely proud of the success achieved by the Club this season. Vale Bob and Gubby.

We again fielded five Senior Mens Sides, a Senior Womens Side, two Super 7s, one Fast 9s, two Girls, one U12, two U14 and one U16 teams together with four T20 sides including one with RDCA and also a mixed team of mothers, daughters, dads and daughters and partners (which was a great success) and a T15 team aimed at our U17s in a trial run for next season, playing across three Associations and on three home Grounds. And continued to run the Woolies Blasters program.

We also hosted VMCU Junior Rep Carnival matches over two weeks in January, but missed out on hosting the Ray McIntosh Grand Final. However, we may have the opportunity to do so this coming Season!

We recruited well in the off Season and welcomed Shehan (Shaz) Kudage Don and Gourav (George) Sukhija from Vermont. While George missed a few games due to family matters and Shaz missed many weeks due to a shocking finger injury to his finger, their commitment to BCC was unwavering and it showed in their valuable finals performances!!

The Season started off with the obligatory first day of play wash out and the most extraordinary fixture for our 1st and 2nd XIs. Rounds 4 through to 9 saw the Ones fixtured

away which in turn had the Twos at home all that time. It was less than ideal and, in some ways, tended to alienate the away teams from the Club. A and D Grade also had byes and I Grade played at Ballyshannessy but managed to play two home matches at Morton Park due to the byes in the higher grades after we applied to have the games moved.

More detail can be found below as to how each team fared through the Season, but how proud was I and the Club to have five of our six senior teams including our Women's team (again) reach the Semi Finals. In the Juniors, only our U12s made it to a Grand Final this season and didn't come home with the chocolates, but certainly gave it their all.

So out of these achievements, we managed a Ray McIntosh Premiership and an A Grade Premiership. And what a celebration was had. It's been 10 years since the last 1st XI flag and 28 years since the last 3rd XI Flag. In our 123-year history we have achieved eleven first grade flags and twelve 1st XI Premierships – the twelfth being the only season Blackburn has not played in the "top flight" when the Club underestimated its playing strength in 1938-39 and asked to be demoted, only to turn around and win the flag. Along with those Premierships that also means our 1st XI has never been relegated from the highest grade. And that's an achievement also worth celebrating!!

Congratulations to both Teams. You put in the hard work and were well rewarded for it. You dared to dream and you made that dream a reality together creating fantastic memories and life-long friendships and instilling a great sense of pride for the Club and its members and supporters. Well done.

Congratulations also to Luke Davis on receiving the Trevor Hutchins Medal, RMS Batting Award, Conor Spinks Mark Jones Medal RMS Bowling Award, Max Rimmer for coming Runner Up in the Len Toogood Award the RMS Best and Fairest Award and receiving the Frank Horne Medal as the best player in the RMS Grand Final, Shehan Kudage Dom for coming Runner Up in the RMS Batting Award) and Colin McKenzie for his Runner Up in the A Grade Batting Award.

Congratulations also to Darren Croft, recipient of the R J McIntosh Memorial Award (for outstanding service to the BHRDCA) and to Michael Long being made a Life Member of BHRDCA. Well-deserved to you both.

All this could not be achieved though without the support of the Committee at Blackburn. A massive thank you again to the people who give up their time and energy to keep this Club evolving, growing and improving to become what it is today. Many thanks to Michael Long, Neil Robertson, Simon Nelson, Luke Gibson, Julie Gibson, Steve Dick, Steve Franklin, Amanda Crossland, Amanda Geason, Ben Stone, Ronan Johnson, Kal Pieris, Lisa Agnew, Rob Willis, Mike Billing, Mitch Gale and Luke Davis.

Special mention to our Captains in Lisa Agnew, Jordy Wise, Adam Cameron, Josh Tuhan, Rob Willis, Lukas Martucci and Luke Gibson for leading our Senior teams for the Season.

Also, to Peter Turnley, Eddie Tommassini, Phil Stewart and Michael McCoy for all the behind-the-scenes contributions that you make for our Club. It is greatly appreciated.

Thank you also to our valuable Sponsors in Clever Commercial Interiors, BPS Reconstruction and Recovery, Morack Consulting Group, Mitcham Hotel, Michael Sukkar Federal Member, Jellis Craig, Tobin

Brothers and Net Promotions. Your continued support is greatly appreciated.

The same can also be said for our Life Members and Coterie Members. Your support is also deeply appreciated.

We are unfortunately losing Jordy Wise! He has decided to retire his bat after several seasons with Blackburn after coming over from Kerrimuir. It will take a bit to replace him and he will be greatly missed both in playing terms and socially. I am certain though that we will see him from time to time. Thank you for all that you have done for Blackburn, Jordy. Your contribution has been outstanding.

During the season, the Club was fortunate to win the hosting rights to one of five Whitehorse Council sponsored workshops conducted by Sport and Life Training (SALT). The Allies of Change session on Preventing Violence against Women was aimed at our Club's senior men. I am proud to say we had an almost complete attendance from our senior male players 18 and over at this workshop in late October and understand from those who participated that it was seen as a positive initiative in helping our men be part of the change in stopping violence against girls and women.

As Season 2024-25 has now come to an end, my 5th as President, I can honestly say that this Season has been the best so far. Not just because of two Senior Flags, but due to the settled feeling of having mostly everything fall into place for our Club. Great grounds, great facilities, no infectious diseases, no bad weather (compared to other seasons) and being surrounded by a fantastic group of people, players, families and supporters. And being able to share in the achievements of this great Club, from our smallest players to our oldest, is a great privilege for me and I thank you all for allowing me to do so.

So hopefully I will see you all again next Season and please enjoy in more detail the events of the Season that was 2024-25.

Roll on Season 2025-26!!

Yours In Cricket

Jo-Anne Bowler
President

TREASURER'S REPORT

Simon Nelson, Treasurer, tabled his report for the 2024-25 Financial Year at the Club's Annual General Meeting on 21 May 2025.

Following discussion of it, the members present at the AGM resolved to accept the financial statement for the financial year ending 30 April 2024 prepared in accordance with section 92(2) of the *Association Incorporation Reform Act 2012* as submitted.

MEN'S COACH'S REPORT

Reflections, Achievements, and Future Prospects

Introduction

The past season has been a remarkable journey for the Blackburn Cricket Club. Our players have showcased immense dedication, skill, and sportsmanship throughout the games. As the coach, it is my privilege to present this comprehensive report that highlights our achievements, reflects on our challenges, and outlines the future prospects for our esteemed club.

Team Performance

Overall Record

This season was one that will forever be etched in the history books of BCC. A 1st XI McIntosh Shield Premiership as well as a 3rd XI A Grade Premiership. We had four of our 5 senior teams participate in finals. This will mean the top 3 teams next year at BCC will all be in Shield grade which would make us a standout amongst opposition teams.

Key Highlights

- A couple of obvious ones would be the two Grand Finals – comprehensive victories in both of these.
- Having such a large number of junior players playing senior cricket this season - the club is in a great position moving forward.
- The overall attendance at training throughout the season and the progress of the club in the inclusive space.
- We also had both Luke Davis and Conor Spinks win the batting and bowling averages at the BHRDCA awards night for Macintosh Shield grade.
- The 2nd XI staying in Dorothy Mac Shield – this might not seem like it but is vital to

us staying in a strong position as a club moving forward.

- Senior Womens team making the Semi Final. Huge effort and great to see the team growing and being part of the club more and more every year.

Team Development and Training

This season, we focused on enhancing our team's skills through training sessions and strategic planning. There was a large focus on club culture and future proofing our club to be the best version of itself it can be for a sustained period.

- We were able to expose some of our younger players to 1st XI cricket. Noah and Darcy both made their 1st XI debuts. Jacob Whitehead played 8 games and was 12th man in our premiership. Tom Audley who is still only 20 played a pivotal role in the 1st XI including an unbelievable GF performance.
- Fielding drills to sharpen reflexes and coordination, leading to fewer dropped catches and misfields.
- We tried to incorporate a junior/senior mentor program. This needs more attention and time dedicated to it, but it is vital moving forward.
- We would often include some of our juniors in our 1st and 2nd XI training session on the top oval on a Thursday night to expose them to the level of cricket required and be more inclusive.

Challenges Faced

Despite our successes, we encountered several challenges:

- Injuries and availability: players suffered injuries at crucial times, impacting team performance as well as player unavailability.
- The 4th XI fixture proved hard to get any continuity.

- The 2nd XI would often be the team that would suffer from selection and availability. Whenever the 1st XI had an injury/unavailability, it would be the 2nd XI that would suffer and playing in the 3rd top grade this proved hard at times.

Future Prospects

Looking ahead, the Blackburn Cricket Club is poised for continued success. Our goals for the upcoming season should include:

- Strengthening our squad by recruiting talented players and nurturing young prospects.
- Enhancing our training programs with advanced techniques and equipment.
- Fostering team spirit and camaraderie through team-building activities and community engagements such as the junior mentor program
- Setting higher performance targets to challenge our players and achieve greater milestones.
- More Shield grade opportunities for junior prospects.
- A big watch on the future generation including Harry, Dan, and Jimmy Geason, Ollie Crossland, Noah De Leo, Tom and Sam Whelan, Lachie Hong, Andrew Phillips, Jack Larsen, Jordan Shade, Coby Verhayen, Oliver Whitmee, Cooper Byrnes, Campbell Froese, Jack Harman, Darcy Rowland and many more.

Conclusion and Thanks

In conclusion, the past season has been a testament to the resilience and talent of the Blackburn Cricket Club. Our achievements on the field are a result of collective effort, unwavering dedication, and the support of our Committee, players, families, supporters and sponsors. As we look forward to the next season, we remain

committed to striving for excellence and making our club proud.

A big thankyou you to the collective leadership at the club. The Committee have been a sensational support as have the team captains - Adam and Josh in the 2nd XI had a tough job but did it very well, kept the vibe in the team high and were able to notch wins at important times of the year and no doubt the team will benefit from that next year; a big congrats to Space and his 3rd XI; Lukas did a sterling job captaining the 4s this season under duress at times, thanks for all your efforts; and Gibbo as always was a rock solid and selfless leader of the 5th XI.

Thank you to everyone who has been part of this incredible journey. I look forward to supporting the club next year in a non-playing capacity. It has been a huge honour to lead this club and I believe it is in a very strong position moving forward.

Jordan Wise

Senior Men's Coach

WOMEN'S COACH'S REPORT

For season 24/25 the Blackburn women had 16 players (down from 23) play with a core group of 12 who played most weeks. This is our third year with a women's team and numbers are trending down. Lisa Agnew again captained and has improved her batting to the extent I expect she will have a big year next year!

This season was mostly positive with the women finishing on 6 wins (10 last year) and 6 losses (7 last year) from 16 games with 4 games abandoned.

Our final game this season was a semi-final loss to Wandin who passed our score of 139 with 3 overs to spare. Best bat was Alyssa Rowe with 55* and best bowlers were Sophie Agnew and Mia Holland both with 2 wickets.

There were several notable performances throughout the year: Our star player, Alyssa Rowe topped the RDCA C grade aggregate with 409 runs and, although her bowling was restricted due to a back injury after Christmas, her 5 wickets contributed to her being awarded the RDCA Best Player in C Grade and of course the our Club Women's Champion. Alyssa is going on to play premier cricket next season and we wish her well.

Bella Fox scored 212 runs and took out the club batting at an average of 70 runs with 5 not outs being dismissed only three times. Belinda Barnard with 262 and Lisa Agnew with 175 also had stellar batting years.

Bowling wise Mia Holland was the big improver with 5 wickets and excellent accuracy. The Club bowling award winner was Sophie who at 12 years old, amazingly took 10 wickets including the star bats from Wandin in all games – simply amazing.

From a cricket skill perspective, our bowling is the skill that needs the most improvement – most bowlers struggle to find a consistent line and length.

Because of the limited number of girls and women's that are playing cricket in our area, we've got a wide range of ages and it's worth calling out that it's a huge achievement for the second year running to have several juniors: Sophie Agnew, Emily Agnew and Emily Crossland step up and play women's cricket. We also had a few girls from other junior clubs try out senior cricket for a match or two; with luck they will return next year.

Our partnership with Box Hill did not result in any games played by Box Hill players.

Things to watch: Some of the girls in-between who have finished juniors in the last two years did struggle and we will need to look very closely at the benefits of being competitive and seeking to win games against the opportunity to bat and bowl as a developing player and be confident to do so in games where it may impact the result. Given the drop-off of players in this category, this should be looked at - more wins can't be judged as an overall success measure if some girls who haven't had as much opportunity to develop their skills decide not to pursue cricket in subsequent seasons.

Next season we will need to recruit 2-4 players, or we may not field a side – the Committee may approach similar placed clubs to run a combined side.

I'd like to thank Jo Bowler and the rest of the Committee for all the hard work that they do to run this wonderful club. I'm looking forward to next season and a fantastic year for women's cricket.

Best regards

Robert Willis
Women's Coach

First Eleven (Ray McIntosh Shield)

A Historic Season for the Burners

The 2024/25 season will go down as one of the most memorable in the proud history of Blackburn Cricket Club, as the 1st XI claimed our first McIntosh Shield premiership in ten years. After a decade of hard work, rebuilding, and near-misses, this season marked the culmination of persistence, talent, and a strong club culture.

Season Highlights

McIntosh Shield Premiers

The 1st XI brought home the silverware after a dominant finals campaign, capped by a spirited grand final victory that showcased both individual brilliance and team unity. From tight bowling spells to game-winning partnerships with the bat, every player had a role to play in this long-awaited success.

Regular Season Performance

Blackburn finished the home-and-away season in 2nd place, securing a home final and riding a wave of momentum into the postseason.

After a sluggish start to the season we were able to get back on track in round 3 after a comfortable 103 run win over Vermont Sth at home backed up in round 5 with another strong 9 wicket win over Mitcham on the Saturday and hard fought 4 wicket win over Kerrimuir on the Sunday.

We rode this momentum until a little hiccup in the last round before Christmas when we had a shocker in the field and with the ball and lost to Vermont South after making 261 with the bat. It proved to be the making of us as we didn't lose another game for the remainder of the season.

This season ended the way it did with a Premiership because we were the best team. We were the best team not only on

field but off it. Such a close and caring group who often put the team's best interests ahead of their own. Playing a role was something we spoke about a lot and no doubt this was challenging at times but having the Shield sitting on our wall at Morton Park showed the strength in doing what we did.

The group is full of leaders which makes my job so much easier. Mitch and Nic were both unbelievable throughout the week assisting in training sessions and match days, and having a club great and previous captain/coach in Luke is an asset I will forever be thankful for.

Conor has matured as a cricketer on the field, as shown by his performance but also as an individual and leader.

Tom and Max were the hardest workers and I am so proud of the way the season panned out for both of them with Max seeing great results in keeping and batting and Tom showing post Xmas what an asset he is for BCC taking over 20 wickets in the last 6 games.

Shehan and George were such terrific people to come into the club and perform the way they did. Unfortunately Shaz missed a chunk of time with injury but was still able to manage over 400 runs with George making over 300 including a century and 50* in a GF.

Dylan showed tremendous maturity coming into the team and playing an important role with the ball taking big wickets and breakthroughs for us.

To have Tom Audley come back this year was a blessing and we couldn't be more thankful. His talent in all disciplines is something others are very envious of - a big future ahead at the club for many years to come.

Key Moments

- Round 2 v. Koonung Heights – Luke Davis 93* in a losing side.

- Round 3 v Vermont Sth – The Shaz and Max show – Shaz made his first ton for BCC with 106 and Max 97* in a 212 run opening stand.
- Round 5 v Mitcham – a 120 run opening stand between Shaz and Max.
- Round 7 v Koonung Heights – Tom Audley – unreal bowling display, unplayable at times culminating in a 5 fa including a hat trick which will be replayed for years to come.
- Round 8 v Forest Hill – Nic Chancellor 91 off 66 balls to rip the game away from the opposition.
- Round 10 v Box Hill Nth – Huge team effort. Gave us belief moving forward.
- Round 11 v Glen Waverley – George making his first ton for BCC even with a calf strain finishing on 114 off 112 balls.
- Round 13 v Mitcham – 130 run partnership between Conor and Darcy on his debut, including Darcy making 50*.
- Round 14 v Kerrimuir – Luke Davis 150* in a dominant performance.
- Semi Final v Kerrimuir – Clinical performance from the team giving us a Grand Final berth.
- Grand Final v Box Hill North – Max took 6 catches in a Man of the Match performance; Luke's 3 wicket over; Tom Audley 4 fa and 15 not out; and George 50*.

Thanks

The premiership was a reward not just for the 1st XI but for the entire club—coaches, junior programs, volunteers, and supporters. The depth of talent, particularly with several under 30 year old players contributing at senior level, bodes well for sustained success in the coming years.

This season also saw a renewed focus on fitness, fielding standards, and mental resilience—foundations that turned tight contests into wins.

Thanks to the playing group – it will be a season I will never forget and something we can celebrate together forever. Premiership reunions are very special and we will have this to look forward to.

Seasons like this don't happen without support from behind the scenes so a few thank-yous from me:

- Judge – unbelievable support personally for me and for the team, a major motivator for us winning was to reward you for all your efforts.
- Jo and the committee – we are so lucky and don't take for granted all the work you do for us and the club.
- Family and supporters – this is a reason why we are such a strong club. To look over to the sidelines during a match and see the amount of people come to support us no matter how we are going is such a luxury and something we are so lucky to have. To the Rimmers and Spinks Families, a big thanks for your unwavering support especially.
- Past Players – too many to mention but we understand what has been done before us to get the club where it is now and we work hard to keep that legacy going every week.

Final Thoughts

A decade-long drought broken, and the flag flying proudly once again at Morton Park. The 2024/25 season was a testament to loyalty, growth, and belief. Here's to the next chapter—and many more flags to come. I look forward to coming down and becoming the #1 supporter and watching a dynasty begin!

Thank you to everyone involved, I was so humbled to lead this group and memories of this season will be forever lasting.

We are Blackburn!

Jordan Wise

Third Eleven (A Grade)

It was an honour to captain the BCC third side this season and deliver an A grade premiership win!!

The Thirds played in A grade for season 2024/25. The side had four older 1st XI premiership players lined up to play this season with Colin McKenzie again our star batsman and this season with his son Lachlan a very talented all-rounder returning after a few years; Brad Byrnes returning for a full season with his 16 year old son Cooper; Lachlan Head after many decades in the firsts and myself captaining again. In addition to this group, we had a talented bunch of younger players to lower the average playing age and improve the fielding standards!

A successful season, winning 8 games, unfortunately two byes and three losses – notably every loss was by a small margin, either one wicket twice and a loss to Laburnum by three runs - followed by the two finals wins.

Result Grid – WWWLWBLLWWWWB Finals WW

The finals felt close as the matches were being played but on reflection the scores show significant wins by large margins. Both finals wins were set up by enormous scores of 6 for 326 and 315 all out in the Grand Final. Enormous credit goes to Colin McKenzie who on top of an excellent season delivered 97 in the Semi Final and a simply amazing 143 in the Grand Final. Colin finished with an outstanding 752 runs at 57.85 to underline his elite batting: he is also a fantastic sportsperson, a great example to all on the manner in which to play cricket and a great teammate.

Semi Final: Blackburn - 3rd XI 6-326(80)
DEFEATED Vermont South - 2nd XI 156 (52.3)

C.McKenzie 97, L.Head 82, Franklin 45,
B.Byrnes 38*;

3 wickets – O.Whitemee, 2 wickets –
D.Geason, R.Willis, 1 wicket – L.McKenzie,
A.Suidgeest, C.Byrnes

Grand Final: Blackburn - 3rd XI 315 (80 overs)
DEFEATED Laburnum - 2nd XI 199 (72.2).

C.McKenzie 143, P.Panayotides 82;

3 wickets – B.Byrnes, 2 wickets - D.Geason,
1 wicket – L.McKenzie, O.Whitmee,
P.Panayotides, R.Willis

Some fantastic performances with Lachlan Head and Sam Franklin getting runs in the Semi Final and Brad Byrnes getting runs in the Semi and wickets in the Grand Final. Sam was also outstanding as keeper, basically not putting down a chance and delivering several times through the year batting; he is also a superb fielder when not keeping.

Another standout was Paul Panayotides with 82 in the Grand Final and the big wicket of the opposition's star batsman. This was a bowling masterclass as after bowling four outswingers in a row, Paul knocked over the stumps with a mighty inswinger to effectively seal the game.

Special mention to the bowling of Daniel Geason and Ollie Whitmee who both had enough speed and swing to trouble all batsmen. And the swing and seam of Lachlan McKenzie and Paul Panayotides who at times through the year were unplayable. And a great season by Brad

Byrnes with 17 wickets of off-spin flight and guile who took out the bowling award.

The Grand Final was also weather affected with Blackburn batting on the first Saturday in extremely hot 34 degree weather, the Sunday being completely washed out despite our best efforts to wait out the rain and some trepidation as we waited for Saturday the following week to arrive and luckily it was not impacted by the weather. Though we did miss Matthew Pantou who unfortunately had an overseas trip booked for the second week.

My thanks to the Committee led by Jo Bowler and Luke Gibson. Blackburn is a large club and there are enormous contributions being made by all on the Committee and many in the senior player and volunteer ranks.

A wonderful year and an honour to win a premiership in the same year as the first XI – ensuring that future reunions will be eventful!!!

Best regards

Rob Willis
3rd XI Captain

Women's 1st XI

We started the season with some concerns around our grading and our numbers. From an association stand point it was understandable to keep us in C grade after being runners up in the previous season, but we had lost players and were seriously short of numbers.

We filled a team for round 1 with 3 juniors. Little did we know that they would go from being fill-ins, to a part of our main team for the remainder of the season. Without these three, Emily Agnew, Sophie Agnew and Emily Crossland, we would not have fielded a team for most rounds.

There is no avoiding talking about our first round game. A T20 against Bayswater Park. Our bowling and fielding was rusty, but given our training and inexperience, was as expected. The real shock was our batting. All out for 38, 23 of which were extras. Emily Crossland our top scorer of 5. We certainly went away licking our wounds, wondering what the rest of the season would bring in C grade.

Round 2 – another T20, but we found our groove. A great knock from Belinda Barnard gave us a decent total to defend. Our fielding was on point, with 4 run outs and a catch. And we only fielded with 9 players. We were starting to remember how to play cricket!

Round 3 – we faced our nemesis from last season, North Ringwood. This was meant to be a 36 over game. After some discussion with their captains, we agreed the RDCA's decision to change C grade to 36 overs without consultation was ordinary, so we shook on playing 30 overs. Again with outstanding batting from Belinda and Bella Fox to open the innings, we made a competitive total of 210. We didn't get many

wickets, and again fielding with only 9, but managed to keep North Ringwood to 191.

Between rounds 3 and 4, the RDCA reviewed the grading. We put forward an email requesting a change to D grade to play 30 over matches, or changing C grade back to 30 overs. Realistically, we were only hoping for the over reduction. The RDCA put it to a vote with the C grade teams, and it was decided to return to the 30 over format.

We took away a convincing win to Chirnside in round 4 again with 9 players. We headed into a T20 in round 5 against Kilsyth with a full 11 and were full of confidence. We waited for the rain to stop and got in a full game. We were the only team in the comp to get a game in. After great confusion as to whether the game would count, it did. No 50% rule in the RDCA as it turns out. Unfortunately we lost this game.

We won the remaining games in the lead up to Christmas, including against the top team, Wandin. So, leading into the Christmas break we were on top of the ladder.

Unfortunately, that was the high point of the season for us. We didn't win another game for the year. We had a series of heat outs or wash outs that contributed to this, but overall, we didn't bowl well. Our batting was just holding together, but we didn't make big enough totals to defend.

We made the semi-final, but possibly only due to a round cancelled due to fire risk. We played Wandin at their home. And while it was an extremely close game in the end, we couldn't take the win.

The highlight of the season has been watching Alyssa Rowe significantly improve her batting. While she didn't quite make a century in any match, she went close. If we played the 36 overs, she probably would

have! Her fielding and energy in the field is something we should all be aspiring to. Unfortunately, her back injury prevented her bowling in the last games of the season and while she didn't take as many wickets as she should have, her dot balls were "off the charts". Alyssa will be one to watch in the future. She also took out the champion player for C grade at the RDCA presentation night. Bella batted very well and quickly. Belinda took on opening the batting every week and despite having a short-lived form slump, kept up a great attitude and continued to do a job that the rest of us didn't feel capable of.

Bowling is an area we needed to improve on from our previous season. Jo Fox and Belinda Barnard certainly worked hard and started to consistently land the ball offside, and wickets followed. Mia Holland drastically improved her bowling and her interest in cricket, taking the time to learn how to score using the book. Emily Agnew, started to get more consistency in her bowling, and took a few vital wickets, but was also very challenging to score off. Finally, the big surprise was Sophie Agnew, taking the most wickets for our team and being our youngest player. Starting the season at age 10. Nick-named "the Destroyer" by Luke Gibson, she confused batters from all teams. She managed to get into the head of the captain of Wandin, getting her out 3 times. As her captain and mum, I have been very proud of her achievements this season. placed the ball where we asked her to, and the catches followed. I didn't think I would be calling on my children and Emily Crossland to make up a team this season, but we were lucky we had them. These three kids have been resilient, playing their own cricket in the mornings, and then playing women's in the afternoon.

Our next season is already looking challenging. We are losing more players,

and we don't have too many more juniors we can drag up to fill a team although I do have my eye on a couple! We are going to need to branch out and possibly approach other clubs in a similar position to form a team. Our affiliation with Box Hill CC didn't bring any players this season. They have changed structure and our alliance has weakened.

To Jo and the Committee, we felt increased support this season and we are truly grateful. We need to work hard to integrate the women's team into the club and its culture. It would be great to start thinking about it as "the senior playing group" and less about women's and men's. Hopefully we can work together to attract more players in coming seasons and further grow out women's side.

I would like to thank Rob Willis for his coaching and support throughout the season. We have given him a few more grey hairs, and he has to stay indoors while we field so we can't hear what he thinks, but he is always there to help us! Rob has done a great job, getting the women's team up and running, but he needs help. I feel confident in saying he would like to not coach us again and to find someone else to fill the role. Sitting back and enjoying his daughter play cricket and helping out with the odd job is where he should find himself next season. Finding a new women's coach would certainly be a starting point to building our future.

Thanks to Colin McKenzie, who comes to support his partner Belinda, but scores, umpires or offers me captaincy help. His knowledge of the game is invaluable. Thanks to Mick, Ollie and Amanda Crossland who have helped where they can with scoring and afternoon tea preparation. Briella Humphreys-Crouch has filled in for us, come down to support and even substitute-fielded in the final. She is wonderful to have around the club and provides an energy that has guided us to some great moments, including Alyssa's 86 from 90 balls. Lastly, a

big thank you to James Agnew. He trains with the girls every week, bowling hundreds of balls to make sure we get a good go in the nets, for supporting me and running my business so I can leave it to play on a Sunday. If James wasn't behind the scenes, I would not be able to captain the Women's 1st XI.

Yours in cricket,

Lisa Agnew

Junior Section

Blackburn Junior Cricket Teams

In Season 2024/5, we had 10 Junior Team representing Blackburn Cricket Club in the competitive age groups, with involvement in 3 additional short form teams (T20 and T15s), playing on Monday, Tuesday, Wednesday and Friday evenings and Sunday mornings. (See table below)

Team Set Up

Our Age Level Coordinators Kal Peiris, Mike Billing and Ben Stone worked very hard to set up our teams for 2024/25. We had a lot of returning players which made organising players into the appropriate standard somewhat easier. Friday night and Sunday morning continue to be the most popular playing times for Blackburn families. This focuses our teams into the Box Hill Reporter District Association (BHRDCA). There is strong interest from Ringwood District Cricket Association (RDCA) for Blackburn teams to enter their competitions; however, our families prefer to minimise travel and prefer BHRDCA. We also have very limited interest in Saturday morning cricket, reducing the number of teams available to play in RDCA competitions.

The challenge to get the right number of players to fill complete teams remains, as having too many players for one team but not enough for two was felt in the older age groups. Being able to open up Play HQ registrations earlier for Season 2025/26 may be a way to manage these challenges in the future.

We continue to work with the Associations to get the gradings as close to right for our teams, but as usual, it depends on other clubs putting their teams in the right grade. With only 2-3 levels available in the BHRDCA Competition, there is limited range.

The arrival of a new competition manager in Cricket Victoria for BHRDCA was new for the

Junior competition and resulted in some delays in the season set up. We made two applications and were able to obtain one permit for a player to play over age in the U14s competition, which is very limited in BHRDCA.

With our mix of teams and days and times played, we were able to have all teams play their home matches at Morton Park. Ground allocations on Friday evenings were more manageable as they were all part of the BHRDCA, but were more challenging on Sunday mornings due to sharing the ground across BHRDCA (Fast 9s) and Stage 2 Girls (RDCA). Communication for ground allocations across the Associations was challenging and distribution of home games between the two teams was not even.

All our teams had a positive season, growing and improving in skills, game awareness and match understanding. Our U12s team made the Semi-finals and played well against a strong Glen Waverley team. The team were positive and played well in challenging conditions in their final.

Grading and Regrading

Our Stage 2 Girls team was regraded early in the season into a level beyond their current capacity. They handled the challenge well and learned a lot about Cricket playing against more experienced teams. Given the current experience of our current Stage 2 teams, they will be more appropriately graded to ensure their skills are more evenly matched with opposition teams. Our U14s (1) Team was approached to be regraded to the higher level, which we rejected and our team continued to play in the most appropriate competition for the team.

Special thanks go to our Age Group Coordinators, Team Coaches and Team Managers who have supported all our teams to learn, grow and play throughout Season 2024/25.

Girls:

Stage 1: Coach – Michael Smith
TM _ Julie Hesse

Stage 2: Coach: Elodie Willis
TM: Dave Elliott

Under 10s:

Coordinator: Kal Pieris

Super 7s 1: Coach - Peter Hansen
TM – Kristy Bloom

Super 7s 2: Coach – James Stephen
A/Coach - Stuart Semple
TM – Belinda Stephens

Fast 9s: Coach – Scott McKibbin
A/Coach – Dan Harry
TM – Stephen Oliver

Under 12s & 14s:

Coordinator: Mike Billing

U/12s: Coach – Michael Forer
A/Coach – David Simcock
TM – Michael Forer

Under 14(1) Gold:

Coach – Bernard Geason
A/Coach – Glenn Cartledge
TM – Jane Snell

Under 14(2) White

Coach – Mike Billing
A/Coach – Brit Biviano
A/Coach – Justin Strempel
TM – Tania Prior-Smith

Under 16s:

Coordinator: Ben Stone

Under 16s Ron Hennessey Shield

Coach – Peter Turnley
Coach – Jacob Whitehead
A/Coach – James Franklin
TM – Amy Thomas

BHRDCA Rep Carnival Teams

Blackburn Cricket Club had Representative players selected for Box Hill Reporter District Teams in the VMCU Carnival in the following teams:

U12 Girls	Maria Grewel
U14 Girls	Emily Crossland (Captain) Ishana Sethi
U17 Girls	Elodie Willis (Captain) Alyssa Rowe Mia Holland Isabella Comrie
U12 Boys	Liam Forer
U14 Boys	James Geason
U16 Boys	Oliver Crossland Thomas Stone

Individual highlights from the VMCU Carnival include:

- Alyssa Rowe (U17s) - Highest run scorer in competition
 - o 100 off 140* vs Ferntree Gully
 - o 60 off 85 vs North West Region
 - o 47 off 111 vs Eastern Cricket Association
 - o 3/8 off 4 vs Western Region Cricket Association
 - o 7th highest wicket taker in competition
- Oliver Crossland (U16s)

- o 4/14 off 5 vs Mornington
 - o 3/17 off 6 vs RDCA
- Thomas Stone (U16s)
 - o 2/3 off 3 vs Casey
- James Geason (U14s)
 - o 46 off 45 vs RDCA
 - o 16th in batting for comp
- Liam Forer (U12s)
 - o 35 off 41* vs Ferntree Gully
 - o 32 off 53 vs Dandenong District Cricket Association

No BHRDCA teams made the finals, but the competition was played in great spirit. There are also excellent opportunities for Blackburn players to take on Coaching roles for the Carnival.

The Girls competition in the BHRDCA area is very young and the number of Clubs with Girls teams in the BHRDCA district being much smaller compared to other Districts. The coaching and support focus of growth and development for the girls was very positive still a worthwhile experience.

BHRDCA Rep Carnival – Morton Park as Host/Home Ground

Blackburn was asked by BHRDCA to host home games at Morton Park for the U12 Boys, U14 Boys and U17 Girls teams. The Carnival ran from January 9 – 14 with 9 games held at Moton Park.

This helped the Club financially on days the Canteen could be opened by Jo Bowler or Amanda Geason (when James was playing at home); however, it was a large load carried by few people. Other families who may have ordinarily volunteered to be involved were involved in their own child's Representative Cricket team, Team Management and travel. There were some technical issues with offering BCC tablets for scoring resulting in issues when the BCC season resumed.

Additional planning and support from our Blackburn Cricket Club community is

recommended for future involvement as a Host Club.

Sub-District Representative Cricket – Craig Shield (U15s)

Coby Verheyen played Craig Shield for Donvale and Ryan Ashby played for Balwyn. They represented Blackburn very well and benefited from playing in this competition.

Woolworths Blast

We had 30 registered participants in our Woolworths Blast Program, running on Wednesday evenings from 6:00 -7:30pm. Abbey Stone, our first year Woolworths Blast Coordinator did an amazing job running a fun, interactive program with different families turning up week to week. To her Assistants, Harry Geason and Emily Crossland, it was a truly Junior program run by Junior members of our Club. You are all excellent role models for our youngsters.

The Wednesday night program was a significant support for the Stage 1 Girls program, with 3-4 new girls participating in Stage 1 matches towards the end of the season.

Kal (U10s Coordinator) also organised a special transition day for Woolworths Blast families to come to Morton Park on Sunday 23 February to support families to ask questions while our Super 7s and Fast 9s teams were playing on both ovals.

Feedback from families will be sought for future recommended times for Woolworths Cricket Blast programs. Options for Saturday or Sunday morning are also available and may positively impact this critically important development program.

Cricket Victoria – Girls in leadership Program

Congratulations to Elodie Willis who has taken on many significant roles in our Girls Program this year. As well as coaching (and playing in) our Stage 2 team, and captaining

the BHRDCA U17s Girls team, Elodie participated in the Girls in Leadership Cricket Victoria Program. She has been an excellent role model for our Girls. Elodie has provided a highly supportive environment focused on personal growth and goals, especially for our newest players. Elodie's praise and encouragement at both training and in matches has enabled our girls to play to the best of their abilities and improve every week.

End of Season Presentation Night

Our Junior Presentation Night was held on Friday 21st March at Morton Park, with over 180 people present. Coaches and Team Managers presented their awards to their teams individually out on the top oval and Club Awards were presented in the rooms after.

The night was a great success with the season success and award winners celebrated. It was fantastic to see so many families invested in Blackburn Cricket Club.

[Pics]

Congratulations to our Shield Winners, Emily Agnew and Ishana Sethi, recipients of the Fox-Gibson Shield for the Female Champion Player and Coby Verheyen, recipient of the Alan Berry Shield for Male Champion Player.

To Mike Billing, who has been an age group coordinator for two years now, this year

working across 2 age groups and Coaching one of the U14s teams congratulations on accepting the Turk Award for all you have done for Blackburn Cricket Club.

To Kal Pieris, congratulations on accepting the Silver Flood Best Clubman award for your contribution to our Junior program. Your ideas and enthusiasm to improve the Junior Program and make the experience of all our families is greatly appreciated.

Junior Results
